Good -day Governor Abbott,

At no time in our history or the history of the world has there been such an enormous push to vaccinate the people of the world for a flu which has over 90% recovery rate!

The facts clearly demonstrate that these two political gangs, which has been in control of our government for over 100 plus years, along with its mouth pieces, the medias one sided government/ pharma 24/7 bombardment of covid 19 has created a division amongst the people of Texas.

This orchestrated one sided bombardment has generated confusion, fear, hate for one another, a plethora of unconstitutional dictatorial powers which through both fear and confusion has a large part of the population willing to forfeit what little freedom we may have.

Through this generated confusion, the people are told, by both government and none government business such as the for profit CDC, and the media, that we need to be vaccinated to get back to normal. We are then told we will never return to normal, mask wearing we are told will be the new normal, mask does not work, wear two or more mask and perhaps a face shield, social distancing will be the new normal, no coins, coin shortage, we will rebuild better, vaccination passports, digital currency, obey our unconstitutional orders and close your business or go to jail.

This without question is a state of war against the principles of liberty

The list could continue and I am positive that it will because tyrants never stop!

It must be understood sir, that propoganda perverts the truth. Due to the fact that the government, that is both political gangs, the pharmacy corporations and media has not allowed counterpoints to the official narrative live on public forum along with those pushing the official narrative. That is a sign of dictatorship!

If the coarse that we are presently traveling remains, the generation in their very early years of life will consider this behavior as normal and for the most part will not

challenge it just as previous generations accepted as normal endless wars, debt driven unconstitutional monetary system, selective service, draft, social security numbering system, the continuous assault against our Bill of Rights, social engineering, the acceptance of the communist structured United Nations, unlawful taxation, the government owning the property which we dwell through the immoral property tax. And again, this list is almost endless.

Ostensibly the eternal clock of time has been for decades ticking with each tick on the clock forging the chains of slavery upon we the people. The oppressors, these two political gangs! They are the only ones holding office and the only ones who have violated our Republican form of government. They have created an ever expanding all powerful centralized system that has been, by its very nature, eating out our substance!

With the deliberate absence of a counterpoint to the official Covid 19 narrative, people have been programed into a state of fear thus placing them into a concentration camp of the mind.

And it is through both confusion and fear that will keep those people into that mind set thus they will follow any and all dictates of a system which is both untrustworthy and contrary to the principles of our Republic.

Through this method of fear and confusion, which did not commence with Covid 19 but well over a century ago, this system has unlawfully expanded and centralized its powers to whereas the people are becoming powerless.

The government and non governmental organizations are taking us to the next level of unlawful power and unconstitutional behavior. I cannot stress the point enough, if we were truly a free people before Covid 19, there would not be any unlawful behavior by the government. The government would have recognized that all people are by nature free and independent and have natural rights. Unfortunately that is not the case for our founding documents has been torn apart.

The next stage of despotism, the vaccination card! I hope you do realize Governor, this vac card is extremely dangerous and anti freedom!

I do realize that you indicated that there will be no vaccine passport cards in our great state. However sir, you are a member of one of the political gangs and they are not to be trusted for the record speaks for itself.

The vaccine passport card, will drive more of a wedge into the heart of our Republic because industries, business of all kinds will determine who will enter, who will buy

food, clothing, who will work, sell, in brevity, who will conduct a "normal" life. What will be generated from this vac passport card is "where is your papers" and this will further empower the system which rules over the people.

The vaccination passport card will violate the 1<sup>st</sup> Amendment of our Bill of Rights, it will violate our 4<sup>th</sup> Amendment to our Bill of Rights, both 9<sup>th</sup> and 10<sup>th</sup> Amendments will be violated, in brevity, the Bill of Rights will continue to be dissolved. Also, anytime any government endeavors to put any foreign ingredient into a persons body without their consent violates the Nuremberg Code.

If the health and the welfare of the people were the concern of this system, prior to the vaccine, an experimental shot, the government and the for profit CDC would have told the people of what possible remedy could be taken. Furthermore, I believe it is the responsibility of the government of Texas to inform the people of Texas of the ingredients of this shot and what would be the affects both short and long term.

Governor, Texas is now in the crossroads to either complete despotism or to find its way back to the concept of liberty. Which way will we go?

Respectfully,

Earl G Dickey
